

Where to communicate?

If you have a question or a concern, the appropriate people to contact are:

 - either call the office at 833-7771 or e-mail office@mrcserie.org

New for 2010–2011 school year

- ▶ If you have constructive comments or suggestions we are opening up a new email address at:
suggestions@mrcserie.org
 - This is designed to give the administration positive suggestions that we may be able to incorporate into our long term planning. If you have a different issue or complaint please use the process outlined previously.
- ▶ All suggestions will get a response saying they were received.
- ▶ Each suggestion will be viewed in the light of what is best for all the students at MRCS – not the needs of one or one group of students. Please think about the entire student population if you are making a comment or suggestion.
- ▶ While something may be a great idea, we have to weigh all plans in light of school priorities and budgets. We may love the idea but it can take us six months or six years to get there.
