Montessori Regional Charter School

As a public charter school we are required to have an annual lottery.

HOW IS THE LOTTERY RUN?

Picking the numbers: Lottery numbers are run through a computerized random generator.

Kindergarten Lottery: Current students' younger siblings entering Kindergarten have preference for openings. After siblings of current students are placed, we will accept Kindergartners into remaining openings in kindergarten classes according to lottery results by campus. If more students apply than the number of available openings, then a lottery will be run and students not chosen will be placed on a waiting list in order of lottery results.

Grade 1-6 Lotteries: If there are openings in grades 1-6 those are filled by siblings of students currently attending MRCS. We are usually not aware of openings that may occur after the lottery until the summer, when a child moves away or decides to go to another school. For this reason, all students in grades 1 through 6 are placed on a waiting list according to lottery results and campus preference.

The Lottery Process

If a charter school receives more applications than spots available in a certain grade, a lottery is held to determine who is accepted and who is placed on a waiting list. Lotteries randomly select students for enrollment, with the following possible exceptions list below:

1. Children of founding families of the Charter
2. Siblings of children enrolled at the school
3. Children residing in the Erie and Millcreek School Districts (chartering districts)
4. All other children residing in Pennsylvania

HOW DO I FIND OUT THE RESULTS OF THE LOTTERY?

The results of the lottery will be posted on the [school website](#) within 24 hours following the lottery. In addition, you will receive results via email the following week. NO RESULTS ARE GIVEN OVER THE PHONE.

HOW LONG WILL IT TAKE FOR MY CHILD TO BE CALLED IF S/HE IS ON THE WAITING LIST?

We are not aware of openings until a parent notifies us that they are moving or have decided to send their child to another school. If your child is on the waiting list, *please be patient*.

Once we contact you, you will have **24 hours to accept or decline** the offer of enrollment before we move to the next person on the waiting list.
