

## Back to School Supplies

We supply your child with everything our students need to be successful in class. However, there are items that we always needs and would appreciate your help in supplying them. These will be used throughout the school, including your child's classroom. You can bring them to the Welcome Back picnic or send them in the first week of school!

Facial Tissues (We use lots and lots)

Fiskars children scissors

Glue Sticks (again, we need lots 😊)

Number 2 Pencils

Box of Crayons

Erasers
