## Title I- **Who We Are and What We Do:**

Title I is a federally funded program offered school wide in core academic areas. We work to support students in ALL grades both with our language arts and math curriculum, using Montessori materials found in the classroom, as well as other materials.

Our Title I department is staffed by:  
Megan Deutsch, Shannon Reid, and  
Jeremy Biebel.

If you feel your child can benefit from Title I services, please contact:  
**Kelly Zimmerman (School Principal)** [kzimmerman@mrcserie.org](mailto:kzimmerman@mrcserie.org)

## **Montessori Material Highlight-** **Stamp Game**

The Stamp Game is a wonderful Montessori Math Material that enables an individual child or a small group of children to practice math skills such as addition, subtraction, multiplication, and division. This versatile material is an essential material in the Montessori classroom that promotes the child's sense of independence. Please ask your child about the Stamp Game.

### **Our Mission:**

Our mission is to provide a superior Montessori program of study that will develop lifelong learners. Our children will be prepared academically, emotionally and socially by creating a love of learning through meaningful and fulfilling educational experiences.

### **Inspiring Words**

“The only true freedom for an individual is to have the opportunity to act independently... there is no such thing as an individual until a person can act by himself”- Maria Montessori
